AUTHOR PUBLICATION AGREEMENT

Dear Authors,

Confirm that your paper _____

is in final form and you approve the publication without further changes in **SCIENTIFIC STUDY & RESEARCH – Chemistry & Chemical Engineering, Biotechnology, Food Industry**, vol. ____ no. ____ year ____.

All the authors must complete the following information and sign for and accept the responsibility for releasing this material.

Within three working days after receiving it, the corresponding author should send us the agreement letter. If no response is received within due time, the editorial board considers that you disapprove the final form and the paper will not be published.

The authors retain the copyright for their article and agree to transfer first publication rights to the journal if and when the article is accepted for publication.

By way of illustrative examples of re-use, each author retains the following rights:

- copyright, and other proprietary rights relating to the article, such as patent rights;
- the right to use the substance of the article in future own works, including lectures, books, thesis, dissertations;
- the right to reproduce the article for own purposes, provided the copies are not offered for sale;
- the right to self-archive the article.

The authors grant to the Journal Owner the following rights, effective from the date on which the Article is accepted for publication:

- the non-exclusive right to publish, reproduce, display, distribute and otherwise use the Article, or any part of the Article, for any purpose, in print, electronic and all other media (whether now known or later developed), and to prepare derivative works, in any form, in all languages, throughout the world, for the full term of copyright;
- the non-exclusive right to license third parties to exercise all or any of the rights granted herein for non-commercial purposes;
- the exclusive right to license third parties to exercise all or any of the rights granted herein for commercial purposes; and
- the right to enforce the rights granted herein against third parties.

The article can be shared for non-commercial purposes as long as the authors are credited. Permission from Editura “Alma Mater” (Alma Mater Publishing House) is needed for commercial re-use or sharing adapted and derivative versions.
